

Quick Directions for the 2009 Dawn to Dusk 500

This year Hoagy's Heroes, Inc. is treating our Dawn to Dusk 500 more like an I.B.A. run to get people used to how things are done on an Official I.B.A. ride. This year we are requiring 3 Gas Stops where you have to get a date and time on the receipt, just like the I.B.A. rides. Please follow the directions given to you and stop at these gas stations or one very close to them because we will be able to determine if you have deviated from the course by your start and end mileage.

If you like you can just cut on the dotted line and use them one at a time to make it easier for you. If it's raining try using packing tape and covering it top and bottom with the packing tape to keep it from getting to soggy on you. Make sure you cover the ends or the rain will soak in. ;)

Starting Point (Holiday-Inn)

to

Stop 1 (Parkersburg, WV)
