

Quick Directions for Hillbilly 1000

Here are your quick directions for Hoagy's Heroes, Inc. Hillbilly 1000 I.B.A. SaddleSore, June 27th, 2009.

This run is totally in-state West Virginia; you must follow these directions to get the correct amount of miles to finish this run. If you look at the map of this run it could look confusing to you so we took the time to separate each leg of this run into parts to make it easier for you to follow, and if you look at each leg of the run you will see it is quite simple if you just follow each leg exactly. We will be on major highways, mountains, two lane roads, maybe even a back country road so please be careful. You will also be traveling a lot on I-77 which has some toll booths. Each stop is \$1.25; we recommend that you have a roll of quarters with you for these tolls. You may want to cut these out so that you can have them easily in your pocket or taped to your windshield for easy access.

At each of these stops you must stop at the gas station that we provide you the name of, if for some reason you can not get into that gas station, you must stop at a gas station nearest to the one provided and get your receipt signed by a cashier, make sure you have them spell their name legibly in case of verification. At each stop you must get a receipt, make sure it has the CORRECT date and time on it. If it does not have the correct time or date have the cashier sign and date it and write the time on it. Make Sure It's Legible!

MOST OF ALL KEEP IT SAFE AND HAVE FUN!!!
